

BACK PANEL

FRONT PANEL

(POCKET OPENING)

Outer dotted line is bleed, extend all background images to this line.
Middle solid line is cut line, this is where the art will be cut.
Inner dotted line is safety margin, keep all important elements within this line.
Keep "Guides" layer locked, work only on "Art" layer, or new layers you create.

This inner sleeve opens at the top
Please position your art with the top of each side oriented like the above diagram.
